PRINCIPAL’S CORNER

Dr. Asya Johnson Founding 1A Principal

Dear HBCU Early College Prep Families, we are now in our second month of school, and what an inspiring beginning it has been! Our scholars are already showing the Legacy, Ingenuity, and Power that define our community. From engaging deeply in their college-level coursework to building connections through our house system, we are laying the foundation for a year filled with growth and achievement. As we move into October, we encourage families to stay connected; check in with your scholar daily, review assignments together, and celebrate small victories. Your partnership makes all the difference as we nurture a culture of excellence and Ubuntu: I am because we are.
